Priority	
Lock count	

The diagram shows a form with a header section and a large body section. The header section contains a table with six rows: Case Number, Image Number, Image Format, Requestors, Priority, and Lock count. The body section is a large empty rectangle. Labels 22, 23, and 24 point to the top right corner of the header section, the right side of the header section, and the top right corner of the body section respectively.
